CHRIST UNIVERSITY **PUNE LAVASA CAMPUS**

Nestled in the serene hills of Lavasa, this campus stands as a symbol of transformative education, blending academic rigour with experiential learning. Established in 2014, it has earned the reputation of being the "Analytical Hub" of the CHRIST University, offering programmes that seamlessly merge analytical expertise with traditional disciplines.

Surrounded by breathtaking natural beauty, the campus fosters an environment where students grow intellectually and personally, supported by expert faculty and state-of-the-art facilities. With a strong commitment to diversity, inclusivity, and collaboration, it enriches the educational journey through cultural exchange and varied perspectives.

Offering a wide range of Undergraduate, Postgraduate and Doctoral Programmes in Management, Law, Commerce, Arts and Science, the campus is known for its specialized Programmes in Business Analytics, Financial Analytics and Data Science.

Beyond academic programmes, the campus offers an exceptional environment for leadership development, corporate retreats and hands-on experiential learning activities.
